Joke Of The Week

Rescue mission to Egypt:

6-year-old Richie was asked by his mother what he had learned in Sunday school. "Well, Mam," he reported, "our teacher told us how God sent Moses behind enemy lines on a rescue mission to lead the Israelites out of Egypt. When he got to the Red Sea, he ordered his engineers to build a pontoon bridge, and all the people walked across safely. He used his walkie-talkie to radio headquarters to call in an air strike. They sent in bombers to blow up the bridge, and all the Israelites were saved."

"Now, Richie, is that REALLY what your teacher taught you?" his mother asked. "Well, no, Mam," Richie admitted, "but if I told it the way the teacher did, you'd never believe it!"

Safety

During the flu season please protect yourself and everyone around you by staying home if you are feeling unwell.

We now have our **defibrillator** in the back of the church. We are looking for volunteers to be trained how to use it for each Mass. Please contact Bernie if interested.

October is the month of the Holy Rosary.

Sympathy

We extend our deepest sympathy to the family and friends of **Joan Curran** who has died recently. May she rest in peace.

Holy water is available beside the Baptistry, please bring your own bottle.

Confession is available before and after any Mass.
