Joke Of The Week

One Sunday the priest was finishing up a Mass on marriage. At the end of the service, he was giving out small wooden crosses to each married couple. He said, *"Place this cross in the room in which you fight the most and you will be reminded of God's commandment of love, and you won't argue as much."* One woman came up after the service and said, *"You'd better give me five crosses, Father."*

Sympathy

We extend our deepest sympathy to the family and friends of **Elizabeth Doyle** who has died recently. May she rest in peace.

Safety

During the flu season please protect yourself and everyone around you by staying home if you are feeling unwell. We now have our **defibrillator** in the back of the church. We are looking for volunteers to be trained how to use it for each Mass. Thank you to those who have put their names forward. Please contact Bernie if you are interested.

Thank You

We would like to give a massive thank you to everyone who helped us prepare for our Feast Day and to all those who attended our celebration. We had an amazing day!

On the **31st of October** our **Saturday Halloween Mass** will be at 5pm in the interest of safety. If people would like the Vigil Mass to be at 5pm during the winter months, please let us know.
