Joke Of the Week

Two little neighbour girls about the same age, one Christian and one Jewish, were constant companions. After one Easter holiday, the grandfather of the Christian girl asked her what her friend had received for Easter. The girl looked at her grandfather in surprise, and said, "But Grandpa, you should know that Becky is Jewish and she wouldn't get anything for Easter." Then she went on to explain patiently, "You see, I'm Easter and she's Passover. I'm Christmas and she's Hanukkah." Then with a big smile, she added, "but I'm really glad that both of us are Halloween."

Sympathy

We extend our deepest sympathy to the family and friends of **Noel Brereton** who has died recently. May he rest in peace.

Safety

During the flu season please protect yourself and everyone around you by staying home if you are feeling unwell. We now have our **defibrillator** in the back of the church. We are looking for volunteers to be trained how to use it for each Mass. Thank you to those who have put their names forward. Please contact Bernie if you are interested.

November altar list of the dead donations is going to the seminary of Society of Christ.

This **Saturday Halloween Mass will be at 5pm** in the interest of safety. If people would like the Vigil Mass to be at 5pm during the winter months, please let us know.
