Dates For Your Diary

- ***18th of November*** – November Memorial at 7pm.

November is the month of the Holy Souls in Purgatory and the Month of Remembrance.

Joke Of the Week

Have you heard the old parachute joke about the guy who was having trouble trusting? His friend said, *"I know the best solution for your problem. A parachute jump will fix your problem of trust and lack of confidence."* So, they took this guy up for a jump. But just before he was to jump he got very nervous. His friend assured him, *"It's very easy. You jump out and then pull the rip cord. If for some reason it doesn't work, you pull the second cord, which is a back-up – guaranteed absolutely to work! Trust me! Then you just enjoy your trip down and a car will be waiting for you and will drive you back to the airport."* So, the guy jumped out of the plane. He pulled the rip cord and nothing happened. *"Oh, no!"* he thought. *"I'll pull the back-up cord."* He did. Nothing happened. And the guy said to himself, "*Oh, no! And I bet the car won't be there either!"*

Confession is available before and after any Mass.

Please look at our notice board for new information.

Safety

We have our **defibrillator** in the back of the church. We are still looking for volunteers to be trained how to use it for each Mass on Sunday and weekdays. Please contact Bernie if you are interested.

Sympathy

We extend our deepest sympathy to the family and friends of **Bridget Hayden** who has died recently. May she rest in peace.

If anyone has any wool they would like to donate to our charity knitting club on Thursday's, it would be greatly appreciated! Please drop it into the office or the sacristy.
